Title

Note: Program 205.1 Definitions

- (g) Declaration of planted acres means a statement, the form of which shall be prescribed by the Commissioner upon which the owner, lessee, or other operator of a cabbage growing farm shall declare the number of acres of cabbages in production.
- (i) Grower means any person who produces or causes to be produced cabbages defined herein.
- (k) Marketing season means the period beginning July 1 of any year, and extending through June 30 of the following year.
- (m) Cabbages means all cabbages produced in New York State for the purpose of sale.
