TO: Retailers of Milk
DATE: June 22, 2001
SUBJECT: Announcement of threshold price relative to milk price gouging law,
effective JULY 2001

THRESHOLD PRICE

Effective July 2001, the threshold price for milk, lowfat milk, or skim milk offered for retail sale in the state are:

	<u>Gallon</u>	<u>Half Gallon</u>	<u>Quart</u>
Metro Region: (NYC and Counties of Nassau, Suffolk, Rockland, Westchester, Orange, Putnam and Dutchess)	\$3.39	\$1.74	\$.91
Upstate Region: (Remaining Counties)	\$3.21	\$1.65	\$.86

A retailer who sells above the threshold price may be in violation of the law unless such selling price is justified as not being unconscionably excessive. Such justification includes net invoice price paid for the milk item plus actual costs incurred in handling and selling that milk item.

Compared to the previous month, the threshold prices increased \$0.06 a gallon, \$0.03 a half gallon in the Upstate and Metro region. For the quart, the threshold price increased \$0.02 in the Metro region and \$0.01 in the Upstate region.
