| 2. Dog Licenses | Not Applicable |
| 3. Other        | Satisfactory   |

---

Additional Information for Inspection:

---

**Number of Animals:**

Number of Dogs/Cats at premise: 7

REMARKS:

It was discussed that the recommended amount of space needed to house an animal can be found in the Pet Dealer Licensing Guidelines. It was recommended that five (5) puppies of the size currently in the pen would be more comfortable and allow for more room to run and play. More space would also satisfy the exercise requirements in the law.
