EAR TAGS

Jan.1, 2021: USDA will no longer produce metal eartags. NY will no longer provide metal ear tags nor can they be applied as official ID. RFID must be applied as official ID.

Jan. 1, 2023: Beef and Dairy cattle moving interstate must have RFID tags. Animals with other forms of ID must be retagged with RFID in order to move interstate. Feeder cattle and direct-to-slaughter are exempt.

<https://www.aphis.usda.gov/traceability/downloads/plan-to-achieve-eid-factsheet.pdf>
