****IMPORTANT CHANGES COMING TO ANIMAL IDENTIFICATION****:

JAN. 1, 2021: USDA will no longer produce metal NUES tags. NYS will no longer provide metal NUES tags. Metal NUES tags can no longer be applied as official ID. RFID tags must be applied as the only form of official ID.

JAN. 1, 2023: Beef and dairy cattle moving interstate must have RFID ear tags. Animals with other forms of ID must be retagged with RFID tags in order to move interstate. Feeder cattle and direct-to-slaughter cattle are exempt.

For more information: https://www.aphis.usda.gov/traceability/downloads/plan-to-achieve-eid-factsheet.pdf

The time is now to plan for these upcoming ID changes for your market or business.
