1.1 OVERVIEW

This Invitation for Bids (IFB) is issued by the New York State Department of Agriculture and Markets (“AGM” or “the Department”) to invite qualified bidders to submit proposals for decorations and decorating services at the Fairgrounds during the annual State Fair and for other year-round events hosted by the Department.

The Fairgrounds are located at 581 State Fair Boulevard, Syracuse (Town of Geddes, Onondaga County) New York. The property is a 375-acre site owned and operated by AGM which is home to the Great New York State Fair (Fair), an annual multi-day event ending on Labor Day each year.

It is anticipated the 2021 State Fair will be 18 days, commencing on Friday, August 20, 2021 and ending on Monday, September 6, 2021.

1.2 IFB GOAL

The objective of this IFB is to retain one contractor capable of providing professional quality decorating services, decorations and decorative equipment and supplies. All decorations must be consistent with the State Fair’s family-oriented theme and provide a bright, cheerful and festive atmosphere for all patrons.

1.3 TERM

The contract resulting from this IFB will commence on January 1, 2021 and end on September 30, 2024.

1.4 IFB TIMELINE

2. DESCRIPTION OF WORK TO BE PERFORMED

2.1 PREMISES

The New York State Fairgrounds is a 375-acre site that is home to the annual New York State Fair as well as many non-Fair events during the year. The mission of the annual State Fair is to hold a multi-day exposition ending on Labor Day each year, identifying, promoting and showcasing the history and traditions of the State, including agriculture. The Fair has been charged to grow as a major driver of tourism and economic development.

The State Fair hosts a 15-acre Midway and two free music venues that host multiple national touring acts each day and can hold more than 30,000 and 15,000 people respectively. There are approximately 600 vendors, including 200 food vendors. Paid parking is available for approximately 20,000 vehicles as well as parking for approximately 1,000 overnight camping vehicles. The State Fair attracted more than 1.3 million people in 2019, and attendance has increased by more than 45 percent in the past five years.

The Fairgrounds also operates year-round (“non-Fair”) offering several outstanding venues. In 2019, the Fairgrounds hosted approximately 300 non-Fair events encompassing over one thousand event days and drawing more than 1.1 million visitors. A wide variety of non-Fair events benefit from the Fairgrounds’ expansive buildings, open space, central location and convenient highway access. Current non-Fair events include music festivals, equestrian competitions, RV rallies, consumer shows, community events and corporate and organization meetings. Most non-Fair events are contracted through promoters; the Department itself hosts and promotes 3-4 events each year.

The Fair and Fairgrounds have undergone the most significant reshaping in its long history. New York State Governor Andrew Cuomo has invested more than \$120 million since 2015 to modernize and revitalize the Fairgrounds, adding a full-service RV park, a large space for the Fair's Midway, and a new NY Experience festival grounds. The Fair also added a fully renovated Main Gate, upgraded the Iroquois Indian Village and State Police exhibit, overhauled and expanded the Orange Lot, which can hold 7,000 vehicles, as well as paving, lighting and drainage. Anchoring the investment is the construction of the new 136,000 square foot Exposition Center. Completed in August 2018, this facility is the largest clear span Exposition Center north of New York City between Boston and Cleveland and is uniquely situated to attract events not previously accommodated by existing regional facilities, such as large car shows, major equestrian competitions, motocross races and other large-scale traveling events not currently visiting the region.

On or around August 1, the Department will send the contractor a list of decorations requested for Departmental use (see **Section 2.2.1**); each corresponding Department head will inspect and inventory their respective decoration order. The contractor will obtain a signature from a Department head for each order and will send a completed inventory sheet to the Department before the first day of the Fair. The Department shall retain all signed and dated individual inventory sheets and no payment will be made for the provision of any item in excess of the total quantity of that item listed upon the inventory sheet.

5.4 SUBCONTRACTING

The Contractor agrees not to subcontract any of its services, unless as indicated in its proposal, without the prior written approval of the Department. Approval shall not be unreasonably withheld upon receipt of written request to subcontract.

The Contractor agrees that the only items that may be subcontracted for purposes of this solicitation are supplies and equipment referenced in **Section 2.2** of this IFB. All subcontracting is subject to the prior written approval of the Department. If the Contractor determines to subcontract any supplies and equipment, the subcontractor(s) must be clearly identified and the nature and extent of the involvement in and/or proposed performance under the Contract must be fully explained by the Contractor to the Department. As part of this explanation, the Subcontractor must submit to the Department a completed Vendor Assurance of No Conflict of Interest or Detrimental Effect form, as required by the Contractor prior to execution of this Agreement.

The Contractor retains ultimate responsibility for all services performed under the Agreement. All subcontracts shall be in writing and shall contain provisions, which are functionally identical to, and consistent with, the provisions of this Agreement including, but not limited to, the body of the Agreement, **Appendix A** – Standard Clauses for New York State Contracts, and required proof of workers compensation and disability insurance.

Unless waived in writing by the Department, all subcontracts between the Contractor and subcontractors shall expressly name the State, through the Department, as the sole intended third party beneficiary of such subcontract. The Department reserves the right to review and approve or reject any subcontract, as well as any amendment to said subcontract(s), and this right shall not make the Department or the State a party to any subcontract or create any right, claim, or interest in the subcontractor or proposed subcontractor against the Department.

The Department reserves the right, at any time during the term of the Agreement, to verify that the written subcontract between the Contractor and subcontractors is in compliance with all of the provisions of this Section and any subcontract provisions contained in this Agreement.

The Contractor shall give the Department immediate notice in writing of the initiation of any legal action or suit which relates in any way to a subcontract with a subcontractor or which may affect the performance of the Contractor's duties under the Agreement. Any subcontract shall not relieve the Contractor in any way of any responsibility, duty and/or obligation of the Agreement.

All subcontractors shall be required to complete and submit a Vendor Responsibility Questionnaire for subcontracts valued at \$100,000 or more over the term of the contract, or a Contractor Information Checklist for subcontracts valued at less than \$100,000 over the term of the contract, unless the

5.5 CONTRACTOR REQUIREMENTS AND PROCEDURES FOR PARTICIPATION BY NEW YORK STATE-CERTIFIED MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES AND EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITY GROUP MEMBERS AND WOMEN

NEW YORK STATE LAW

Pursuant to New York State Executive Law Article 15-A and Parts 140-145 of Title 5 of the New York Codes, Rules and Regulations the Department is required to promote opportunities for the maximum feasible participation of New York State-certified Minority and Women-owned Business Enterprises (“MWBEs”) and the employment of minority group members and women in the performance of the Department contracts.

Business Participation Opportunities for MWBEs

For purposes of this solicitation, the Department hereby establishes an overall goal of thirty (30) percent for MWBE participation, fifteen (15) percent for New York State-certified Minority-owned Business Enterprise (“MBE”) participation and fifteen (15) percent for New York State-certified Women-owned Business Enterprise (“WBE”) participation (based on the current availability of MBEs and WBEs). A contractor (“Contractor”) on any contract resulting from this procurement (“Contract”) must document its good faith efforts to provide meaningful participation by MWBEs as subcontractors and suppliers in the performance of the Contract. To that end, by submitting a response to this Invitation for Bids (IFB), the respondent agrees that the Department may withhold payment pursuant to any Contract awarded as a result of this IFB pending receipt of the required MWBE documentation. The directory of MWBEs can be viewed at: <https://ny.newnycontracts.com>. For guidance on how the Department will evaluate a Contractor’s “good faith efforts,” refer to 5 NYCRR § 142.8.

The respondent understands that only sums paid to MWBEs for the performance of a commercially useful function, as that term is defined in 5 NYCRR § 140.1, may be applied towards the achievement of the applicable MWBE participation goal. The portion of a contract with an MWBE serving as a broker that shall be deemed to represent the commercially useful function performed by the MWBE shall be 25 percent of the total value of the contract.

In accordance with 5 NYCRR § 142.13, the respondent further acknowledges that if it is found to have willfully and intentionally failed to comply with the MWBE participation goals set forth in a Contract resulting from this IFB, such finding constitutes a breach of contract and the Department may withhold payment as liquidated damages. Such liquidated damages shall be calculated as an amount equaling the difference between: (1) all sums identified for payment to MWBEs had the Contractor achieved the contractual MWBE goals; and (2) all sums actually paid to MWBEs for work performed or materials supplied under the Contract.

By submitting a bid or proposal, a respondent agrees to demonstrate its good faith efforts to achieve the applicable MWBE participation goals by submitting evidence thereof through the New York State Contract System (“NYSCS”), which can be viewed at <https://ny.newnycontracts.com>, provided, however, that a respondent may arrange to provide such evidence via a non-electronic method by contacting the Department’s MWBE Liaison at 518-457-4619 or mwbe@agriculture.ny.gov. All MWBE Forms and Instructions are included in the Submission Documents.

IFB #0242: DECORATIONS AND DECORATING SERVICES - NEW YORK STATE FAIR

Additionally, a respondent will be required to submit the following documents and information as evidence of compliance with the foregoing:

- (1) An MWBE Utilization Plan with their bid or proposal. Any modifications or changes to an accepted MWBE Utilization Plan after the Contract award and during the term of the Contract must be reported on a revised MWBE Utilization Plan and submitted to the Department for review and approval. The Department will review the submitted MWBE Utilization Plan and advise the respondent of the Department acceptance or issue a notice of deficiency within 30 days of receipt.
- (2) If a notice of deficiency is issued, the respondent will be required to respond to the notice of deficiency within seven (7) business days of receipt by submitting to the Department, a written remedy in response to the notice of deficiency. If the written remedy that is submitted is not timely or is found by the Department to be inadequate, the Department shall notify the respondent and direct the respondent to submit, within five (5) business days, a request for a partial or total waiver of MWBE participation goals. Failure to file the waiver form in a timely manner may be grounds for disqualification of the bid or proposal.

The Department may disqualify a respondent as being non-responsive under the following circumstances:

- A. If a respondent fails to submit an MWBE Utilization Plan;
- B. If a respondent fails to submit a written remedy to a notice of deficiency;
- C. If a respondent fails to submit a request for waiver; or
- D. If the Department determines that the respondent has failed to document good faith efforts.

The successful respondent will be required to attempt to utilize, in good faith, any MBE or WBE identified within its MWBE Utilization Plan, during the performance of the Contract. Requests for a partial or total waiver of established goal requirements made subsequent to Contract Award may be made at any time during the term of the Contract to the Department, but must be made no later than prior to the submission of a request for final payment on the Contract.

The successful respondent will be required to submit a quarterly M/WBE Contractor Compliance & Payment Report to the Department, by the 10th day following each end of quarter over the term of the Contract documenting the progress made toward achievement of the MWBE goals of the Contract.

Equal Employment Opportunity Requirements

By submission of a bid or proposal in response to this solicitation, the respondent agrees with all of the terms and conditions of Appendix A – Standard Clauses for All New York State Contracts including Clause 12 - Equal Employment Opportunities for Minorities and Women. The respondent is required to ensure that it and any subcontractors awarded a subcontract for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work"), except where the Work is for the beneficial use of the respondent, undertake or continue programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, equal opportunity shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, and rates of pay or other forms of compensation. This requirement does not apply to: (i) work, goods, or services unrelated to the Contract; or (ii) employment outside New York State.

The respondent will be required to submit a Minority and Women-owned Business Enterprise and Equal Employment Opportunity Policy Statement, (See Submission Documents, Form MWBE EE01), to the Department with its bid or proposal.

If awarded a Contract, respondent shall submit a Workforce Utilization Report and shall require each of its Subcontractors to submit a Workforce Utilization Report, in such format as shall be required by the Department on a quarterly basis during the term of the Contract.

Pursuant to Executive Order #162, contractors and subcontractors will also be required to report the gross wages paid to each of their employees for the work performed by such employees on the contract utilizing the Workforce Utilization Report on a quarterly basis.

Further, pursuant to Article 15 of the Executive Law (the “Human Rights Law”), all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor and sub-contractors will not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

Please Note: Failure to comply with the foregoing requirements may result in a finding of non-responsiveness, non-responsibility and/or a breach of the Contract, leading to the withholding of funds, suspension or termination of the Contract or such other actions or enforcement proceedings as allowed by the Contract.

5.6 PARTICIPATION OPPORTUNITIES FOR NEW YORK STATE CERTIFIED SERVICE-DISABLED VETERAN-OWNED BUSINESSES

Article 17-B of the New York State Executive Law provides for more meaningful participation in public procurement by certified Service-Disabled Veteran-Owned Businesses (“SDVOBs”), thereby further integrating such businesses into New York State’s economy. The Department recognizes the need to promote the employment of service-disabled veterans and to ensure that certified service-disabled veteran-owned businesses have opportunities for maximum feasible participation in the performance of Department contracts.

In recognition of the service and sacrifices made by service-disabled veterans and in recognition of their economic activity in doing business in New York State, Bidders/Contractors are strongly encouraged and expected to consider SDVOBs in the fulfillment of the requirements of the Agreement. Such participation may be as subcontractors or suppliers, as protégés, or in other partnering or supporting roles.

For purposes of this procurement, the Department conducted a comprehensive search and determined that the Agreement does not offer sufficient opportunities to set specific goals for participation by SDVOBs as subcontractors, service providers, and suppliers to Contractor. Nevertheless, Bidder/Contractor is encouraged to make good faith efforts to promote and assist in the participation of SDVOBs on the Agreement for the provision of services and materials. The directory of New York State Certified SDVOBs can be viewed at: <https://ogs.ny.gov/veterans/>

Bidder/Contractor is encouraged to contact the Office of General Services’ Division of Service-Disabled Veteran’s Business Development at 518-474-2015 or VeteransDevelopment@ogs.ny.gov to discuss methods of maximizing participation by SDVOBs on the Agreement.

5.7 NOTIFICATION OF AWARD

Counsel's Office will provide the bidder with written notification of the review team's decision within fourteen (14) business days of receipt of the protest. The original protest and decision will be filed with OSC when the contract procurement record is submitted for approval and, and Fiscal Management will advise OSC that a protest was filed.
4. Fiscal Management in consultation with Counsel's Office may summarily deny a protest that fails to contain specific factual or legal allegations, or where the protest only raises issues of law that have already been decided by the courts. An unsuccessful bidder may also protest the award by filing a protest, in writing, with the Office of the State Comptroller, Bureau of Contracts, 110 State Street, 11th Floor, Albany, New York 12236. 5.12 VENDOR RESPONSIBILITY AND NYS VENDOR ID

Prime Contractors:

DEPARTMENT OF AGRICULTURE AND MARKETS

IFB #0242: DECORATIONS AND DECORATING SERVICES – NEW YORK STATE FAIR

State law requires that the award of state contracts be made to responsible vendors. Before an award is made to a not-for-profit entity, a for-profit entity, a private college or university or a public entity not exempted by the Office of the State Comptroller, the Department must make an affirmative responsibility determination. The factors to be considered include: legal authority to do business in New York State; integrity; capacity- both organizational and financial; and previous performance. Before an award of \$100,000 or greater can be made to a covered entity, the entity will be required to complete and submit a Vendor Responsibility Questionnaire. Public Authorities, BOCES, public colleges and universities are some of the exempt entities. For a complete list, see:
http://www.osc.state.ny.us/vendrep/resources_docreq_agency.htm

All bidders must fully and accurately complete the Vendor Responsibility Questionnaire (hereinafter the “Questionnaire”). All bidders acknowledge that the Department’s execution of the Contract will be contingent upon the Department’s determination that the bidder is responsible, and that the Department will be relying upon the bidder’s responses to the Questionnaire in making that determination. If it is found by the Department that a bidder’s responses to the Questionnaire were intentionally false or intentionally incomplete, the Department may terminate the contract by providing ten (10) days written notification to the contractor. In no case shall such termination of the contract by the Department be deemed a breach thereof, nor shall the Department be liable for any damages for lost profits or otherwise, which may be sustained by the contractor as a result of such termination.

NOTE: Bidders are encouraged to file the Vendor Responsibility Questionnaire online via the New York State VendRep System. To enroll in and use the New York State VendRep System, see the VendRep System Instructions available at www.osc.state.ny.us/vendrep or go directly to the VendRep System online at <https://portal.osc.state.ny.us/wps/portal>.

Vendors opting to complete and submit a paper questionnaire can obtain the appropriate questionnaire from the VendRep website www.osc.state.ny.us/vendrep or may contact the Department or the Office of the State Comptroller’s Help Desk for a copy of the paper form.

Note: Bidders must acknowledge their method of filing their questionnaire by checking the appropriate box on the Response Sheet for Bids (Submission Documents).

An offeror/bidder is restricted from making contacts from the earliest written notice, advertisement or solicitation of the IFB through final award and approval of the Procurement Contract by the Department, and, if applicable, Office of the State Comptroller (“restricted period”) to other than designated staff unless it is a contact that is included among certain statutory exceptions set forth in State Finance Law Section 139-j (3)(a). 7. RECOMMENDED SUBMISSIONS

The following forms are not required to be submitted with the bid response. Nevertheless, Bidders are encouraged to submit these forms in order to expedite contract execution if the bidder is awarded the contract.

Workers’ Compensation Coverage and Debarment

New York State Workers’ Compensation Law (WCL) has specific coverage requirements for businesses contracting with New York State and additional requirements which provide for the debarment of vendors that violate certain sections of WCL. The WCL requires, and has required since introduction of the law in 1922, the heads of all municipal and State entities to ensure that businesses have appropriate workers’ compensation and disability benefits insurance coverage prior to issuing any permits or licenses, or prior to entering into contracts.

Workers’ compensation requirements are covered by WCL Section 57, while disability benefits are covered by WCL Section 220(8). The Workers’ Compensation Benefits clause in Appendix A – STANDARD CLAUSES FOR NEW YORK STATE CONTRACTS states that in accordance with Section 142 of the State Finance Law, a contract shall be void and of no force and effect unless the contractor provides and maintains coverage during the life of the contract for the benefit of such employees as are required to be covered by the provisions of the WCL.

DEPARTMENT OF AGRICULTURE AND MARKETS

IFB #0242: DECORATIONS AND DECORATING SERVICES – NEW YORK STATE FAIR

Under provisions of the 2007 Workers' Compensation Reform Legislation (WCL Section 141-b), any person, or entity substantially owned by that person: subject to a final assessment of civil fines or penalties, subject to a stop-work order, or convicted of a misdemeanor for violation of Workers' Compensation laws Section 52 or 131, is barred from bidding on, or being awarded, any public work contract or subcontract with the State, any municipal corporation or public body for one year for each violation. The ban is five years for each felony conviction.

Proof of Coverage Requirements

The Workers' Compensation Board has developed several forms to assist State contracting entities in ensuring that businesses have the appropriate workers' compensation and disability insurance coverage as required by Sections 57 and 220(8) of the WCL. ***Please note – an ACORD form is not acceptable proof of New York State workers' compensation or disability benefits insurance coverage.***

Proof of Workers' Compensation Coverage

To comply with coverage provisions of the WCL, the Workers' Compensation Board requires that a business seeking to enter into a State contract submit appropriate proof of coverage to the State contracting entity issuing the contract. For each new contract or contract renewal, the contracting entity must obtain ONE of the following forms from the contractor and submit to OSC to prove the contractor has appropriate workers' compensation insurance coverage:

- **Form C-105.2** – Certificate of Workers' Compensation Insurance issued by private insurance carriers, or **Form U-26.3** issued by the State Insurance Fund; or
- **Form SI-12**– Certificate of Workers' Compensation Self-Insurance; or **Form GSI-105.2** Certificate of Participation in Workers' Compensation Group Self-Insurance; or
- **CE-200**– Certificate of Attestation of Exemption from NYS Workers' Compensation and/or Disability Benefits Coverage.

Proof of Disability Benefits Coverage

To comply with coverage provisions of the WCL regarding disability benefits, the Workers' Compensation Board requires that a business seeking to enter into a State contract must submit appropriate proof of coverage to the State contracting entity issuing the contract. For each new contract or contract renewal, the contracting entity must obtain ONE of the following forms from the contractor and submit to OSC to prove the contractor has appropriate disability benefits insurance coverage:

- **Form DB-120.1** - Certificate of Disability Benefits Insurance; or
- **Form DB-155**- Certificate of Disability Benefits Self-Insurance; or
- **CE-200**– Certificate of Attestation of Exemption from New York State Workers' Compensation and/or Disability Benefits Coverage.

ALL OF THE ABOVE REFERENCED FORMS, EXCEPT CE-200, SI-12 & DB-155 MUST NAME: New York State Department of Agriculture and Markets, Division of the New York State Fair, 581 State Fair Boulevard, Syracuse, NY 13209 as the Entity Requesting Proof of Coverage (Entity being listed as the Certificate Holder).

Sales and Compensating Use Tax Certification (Tax Law § 5-a)

Tax Law § 5-a requires contractors awarded State contracts for commodities or services valued at more than \$100,000 over the full term of the contract to certify to the New York State Department of Taxation and Finance (“DTF”) that they are registered to collect New York State and local sales and compensating use taxes, if they made sales delivered by any means to locations within New York State of tangible personal property or taxable services having a cumulative value in excess of \$300,000, measured over a specific period of time. The registration requirement applies if the contractor made a cumulative total of more than \$300,000 in sales during the four completed sales tax quarters which immediately precede the sales tax quarter in which the certification is made. Sales tax quarters are June – August, September – November, December – February, and March – May. In addition, contractors must certify to DTF that each affiliate and subcontractor of such contractor exceeding such sales threshold during a specified period is registered to collect New York State and local sales and compensating use taxes. Contractors must also certify to the procuring State entity that they filed the certification with the DTF and that it is correct and complete.

The selected bidder must file a properly completed Form ST-220-CA (with OSC as the Contracting Agency within 48 hours of notification of selection for award) and Form ST-220-TD (with the DTF). These requirements must be met before a contract may take effect.
