

**Application to Install or Modify a High Temperature Short Time (HTST) or Higher Heat Shorter Time (HHST) Pasteurization System**

Division of Milk Control | 10B Airline Dr. | Albany, NY 12235  
(518) 457-1772 | (800) 554-4501

*Pursuant to Part 2 of 1 NYCRR §2.64 paragraph (b), I hereby make application to install or modify dairy processing equipment at the facility listed below.*

See the guideline *Instructions for Making an Application for the Installation or Modification of Milk Handling Equipment, Construction or Renovation of a Process Facility, or the Installation or Modification of a Continuous Flow Pasteurizer* for complete instructions. This application must be accompanied by the applicable information as described within the guideline.

<b>Plant Name &amp; Number</b>						
<b>Address (incl. County) &amp; Phone #</b>						
<b>PPS Name &amp; Contact (incl. email address)</b>						
<b>Install or Remodel</b>	<b>HTST or HHST</b>	<b>Capacity (lbs. per hour)</b>	<b>Approximate Date of Installation</b>			
<b>Principal Equipment</b>						
Timing Pump (Make)	Model	Drive / AC Controller				
Flow Diversion Device (Make)	Model					
Recorder Controller (Make)	Model					
Programmable Logic Controller (PLC) - (Make)	Model					
Regenerator Booster Pump (Make)	Model	Drive / AC Controller				
Regenerator Differential Pressure Switch (Make)	Model					
<b>Plate Heat Exchanger</b>						
Make	Model					
List Each Section of the Plate Heat exchanger, Media (steam, glycol, etc.) & Number of plates						
Section, Media	No. Plates	Section, Media	No. Plates	Section, Media	No. Plates	Other
Section, Media	No. Plates	Section, Media	No. Plates	Section, Media	No. Plates	
<b>Holding Tube</b>						
Diameter	Length in Inches	Capacity (cu. In.)	Expected Hold Time (incl. flow rate in GPM)			

<b>Meter Based Timing System</b>			
Magnetic Flow Meter (Make)	Model		
Flow Promoting Device (Make)	Model		
Flow Recorder (Make)	Model		
<b>Additional Equipment</b>			
Homogenizer (Make)	Model	Drive / AC Controller	
Homogenizer Stuffing Pump (Make)	Model	Drive / AC Controller	
Separator (Make)	Model	Drive / AC Controller	
Separator Stuffing Pump (Make)	Model	Drive / AC Controller	
Vacuum Breaker (Make)	Model		
<b>Comments</b>			
<b>Plant Representative, Signature &amp; Date</b>			
<b>FOR OFFICE USE ONLY</b>			
Project Tracking #: _____		Received Process Narrative	Received Flow Diagram / Layout
Date Plans Received: _____		Received Equipment List	Received Installer Information
		Received PLC Logic & Wiring Diagram	Received Testing SOP
