**EAR TAGS, APPLICATORS AND READERS**

**1. Metal Ear Tags**

\_\_\_\_\_ box(es) Regular 21D metal eartags (100/box) \_\_\_\_\_ box(es) 21V Brucellosis Vaccination tags (100/box)

**2. USDA 840 RFID Tags**

To promote and advance livestock traceability the NYS Department of Agriculture and Markets, Division of Animal Industry is offering 840 RFID half-duplex, white button tags to veterinarians and producers. These tags should be placed in US-born animals that reside in NYS. Tags can be applied to either ear and a specific applicator is needed to apply the tags.

You are responsible for maintaining records of tag application/distribution for 5 years with the following required information. A spreadsheet will be provided with your tag order to assist in record keeping. NYSAGM will be monitoring tag distribution records.

*Owner or farm name | date of tag application/distribution | 7-digit Premises Identification Number  
911 address | #/tag range applied | species, signalment*

\_\_\_\_\_ Amount of RFID Tags Requested (order in quantities of 10)
