Rev 2/2023

NEW YORK STATE OF OPPORTUNITY. Agriculture and Markets

Farmers' Market Nutrition Program (FMNP)

PURCHASE LOG (FMC-9)

Clear All

Name of Supplier	Type*	**Instuctions:** In the left hand columns put the name(s) of your supplier(s) of fresh fruits and vegetables, and specify their type, using the codes outlined below. In the column headings write the dates of your weekly markets (e.g. under 'Week 1', write June 1). You only need to provide information for the FMNP season (June 1 - November 30). Place an "X" in the box below the week when produce is purchased from a particular supplier, and indicate the volume of produce purchased, using the volume column. If the market changes hours, location and/or closes early, please update us immediately by email or phone.														
		Market Dates June - November													
		Week 1	**Volume** lbs or $$	**Week 2**	**Volume**	**Week 3**	**Volume**	**Week 4**	**Volume**	**Week 5**	**Volume**	**Week 6**	**Volume**	**Week 7**	**Volume**	Total volume
(John Smith Farm)	(F)	(X)	(45lbs)	(X)	(60 lbs)											105lbs

***Type Codes:** **F**=Farmer/Grower, **D**=Distributor/Dealer, **H**=Produce Food Hub, **A**=Produce Auction, **O**=Other
