The Owner Shipper Statement (OSS) is a document for animal movements that do not require a Certificate of Veterinary Inspection (CVI). Lactating dairy cattle moving directly to slaughter can come into New York on an OSS. Check with receiving states for specific requirements.

This form can be emailed to New York Division of Animal Industry at: exports@ny.cvicentral.com

If you are shipping more than 50 animals, the second page can be submitted multiple times, or you can attach a spreadsheet of additional IDs provided the Date, Origin and Destination information are included on the attached spreadsheet and total animal number is correct.
