AI-17A Brucellosis Calf Vaccination Cont. (Pad of 25)
AI-113 Livestock Rabies Vaccination Chart (Pad of 100)

EAR TAGS, APPLICATORS AND READERS

1. Metal Ear Tags

_____ box(es) Regular 21D metal eartags (100/box) _____ box(es) 21V Brucellosis Vaccination tags (100/box)

Please note that silver metal NUES tags are not considered official identification if placed in cattle November 5, 2024 or later. These tags will continue to serve as official identification in swine and cervids only.

2. USDA 840 RFID Tags

To promote and advance livestock traceability the NYS Department of Agriculture and Markets, Division of Animal Industry is offering 840 RFID half-duplex, white button tags to veterinarians and producers. These tags should be placed in US-born animals that reside in NYS. Tags can be applied to either ear and a specific applicator is needed to apply the tags.

You are responsible for maintaining records of tag application/distribution for 5 years with the following required information. A spreadsheet will be provided with your tag order to assist in record keeping. NYSAGM will be monitoring tag distribution records.

*Owner or farm name | date of tag application/distribution | 7-digit Premises Identification Number
911 address | #/tag range applied | species, signalment*

_____ Amount of RFID Tags Requested (minimum of 10)

_____ RFID Tag Applicator Requested

_____ RFID Tag Reader Requested

3. Orange 840 RFID Tags for Official Calfhood Vaccinates

_____ Tags (minimum of 10) _____ RFID applicator (same as for white tags) _____ RFID reader

4. Scrapie tags must be ordered from USDA 1-866-873-2824.
