### 3. GENERAL PROGRAM INFORMATION

#### 3.1. Program Description

The NYS Regional School Food Infrastructure Grant Program will encourage the use of fresh New York State farm products in meal preparation for K-12 school children, reduce food insecurity, increase market opportunities for New York State producers, and strengthen the resiliency of our state's food system. Additionally, this program will encourage workforce development by providing training for culinary arts, food processing, safe food handling and storage, logistics, delivery, and other community needs.

This grant program will require that facilities serve multiple school districts, support their local community, and provide workforce development opportunities. Grant funds are available for the costs of capital projects, including services, expenses, and grants for the cost of construction, renovation, alteration, rehabilitation, improvements, installation, acquisition, repair or replacement of buildings or equipment for the development of facilities to support the preparation and distribution of New York focused meals for regional school infrastructure, such as aggregation, storage hubs and/or commissary-type kitchens.

#### 3.2. Funding Available

\$50,000,000 will be available over five years, with one \$5,000,000 award to each of the eight regions listed below. \$10,000,000 is available for the Regional School Food Infrastructure Grant 2024 Round 2, with two \$5,000,000 awards being made to two separate regions. The Department reserves the right to conduct annual meetings to determine if the initial timeline is being met, and to determine if the implementation timeline needs to be adjusted.

Awarded applicants will be required to submit Quarterly Progress Reports to the Department to provide timely information on the success of the project. A Quarterly Progress Report template will be provided by the Department to generate the reports. Claim for Payment Forms submitted will not be processed for projects that are not up to date with the filing of their quarterly reports.

A Final Report will be required within sixty (60) days following completion of the project. A Final Report template will be provided by the Department to generate the report. The Final Report shall include a detailed description of the work completed; an assessment of the potential for future viability of the project; and a description of problems encountered, if any, which affected completion of the project. In addition, to the Final Report, the Department reserves the right to conduct a follow-up survey of funded projects in order to determine long-term impacts.

The Department reserves the right to modify reporting requirements during the course of the project.

## **11. LIABILITY**

The Department shall not be held liable for any costs incurred by any party for work performed in the preparation of and production of a proposal or for any work performed prior to the formal execution of a contract.

## **12. OTHER REQUIREMENTS**

### **12.1. NYS OFFICE OF PARKS RECREATION & HISTORIC PRESERVATION REQUIREMENTS**

Projects which include ground-disturbing activities, construction of new buildings, or modification of buildings over fifty (50) years old will be subject to further review by the New York State Office of Parks, Recreation and Historic Preservation (OPRHP). The Department reserves the right to request such additional information as is necessary to allow OPRHP to make a determination regarding the potential impacts of the project on historical sites or artifacts and possible alternatives which avoid or mitigate adverse impacts.

### **12.2. NYS ENVIRONMENTAL QUALITY REVIEW ACT REQUIREMENTS**

Some projects may be subject to review under the New York State Environmental Quality Review Act (SEQRA). The Department reserves the right to request additional information as needed to comply with SEQRA requirements.

### **12.3. MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES**

Contractor requirements and procedures for participation by New York State certified minority and women-owned business enterprises and equal employment opportunities for minority group members and women.

### **New York State Law**

Pursuant to New York State Executive Law Article 15-A and Parts 140-145 of Title 5 of the New York Codes, Rules and Regulations, the Department is required to promote opportunities for the maximum feasible participation of New York State-certified Minority and Women-owned Business Enterprises (“MWBEs”) and the employment of minority group members and women in the performance of the Department contracts.

### **Business Participation Opportunities for MWBEs**

For purposes of this solicitation, the Department hereby establishes an overall goal of thirty percent (30%) for MWBE participation, fifteen percent (15%) for New York State-certified Minority-owned Business Enterprise (“MBE”) participation and fifteen percent (15%) for New York State-certified Women-owned Business Enterprise (“WBE”) participation (based on the current availability of MBEs and WBEs). A contractor (“Contractor”) on any contract resulting from this procurement (“Contract”) must document its good faith efforts to provide meaningful participation by MWBEs as subcontractors and suppliers in the performance of the Contract. To that end, by submitting a response to this RFP, the respondent agrees that the Department may withhold payment pursuant to any Contract awarded as a result of this RFP pending receipt of the required MWBE documentation. The directory of MWBEs can be viewed at: <https://ny.newnycontracts.com>. For guidance on how the Department will evaluate a Contractor’s “good faith efforts,” refer to 5 NYCRR § 142.8.

The respondent understands that only sums paid to MWBEs for the performance of a commercially useful function, as that term is defined in 5 NYCRR § 140.1, may be applied

towards the achievement of the applicable MWBE participation goal. [FOR CONSTRUCTION CONTRACTS – The portion of a contract with an MWBE serving as a supplier that shall be deemed to represent the commercially useful function performed by the MWBE shall be sixty percent (60%) of the total value of the contract. The portion of a contract with an MWBE serving as a broker that shall be deemed to represent the commercially useful function performed by the MWBE shall be the monetary value for fees, or the markup percentage, charged by the MWBE]. [FOR ALL OTHER CONTRACTS - The portion of a contract with an MWBE serving as a broker that shall be deemed to represent the commercially useful function performed by the MWBE shall be twenty-five percent (25%) of the total value of the contract.]

In accordance with 5 NYCRR § 142.13, the respondent further acknowledges that if it is found to have willfully and intentionally failed to comply with the MWBE participation goals set forth in a Contract resulting from this RFP, such finding constitutes a breach of contract and the Department may withhold payment as liquidated damages.

Such liquidated damages shall be calculated as an amount equaling the difference between: (1) all sums identified for payment to MWBEs had the Contractor achieved the contractual MWBE goals; and (2) all sums actually paid to MWBEs for work performed or materials supplied under the Contract.

By submitting a bid or proposal, a respondent agrees to demonstrate its good faith efforts to achieve the applicable MWBE participation goals by submitting evidence thereof through the New York State Contract System (“NYSCS”), which can be viewed at <https://ny.newnycontracts.com>, provided, however, that a respondent may arrange to provide such evidence via a non-electronic method by contacting the Department’s MWBE Liaison at 518-485-8740 or [SupplierDiversity@agriculture.ny.gov](mailto:SupplierDiversity@agriculture.ny.gov). All MWBE Forms and Instructions are included in the Submission Documents.

Additionally, a respondent will be required to submit the following documents and information as evidence of compliance with the foregoing:

1. An MWBE Utilization Plan with their bid or proposal. Any modifications or changes to accepted MWBE Utilization Plan after the Contract award and during the term of the Contract must be reported on a revised MWBE Utilization Plan and submitted to the Department for review and approval.

The Department will review the submitted MWBE Utilization Plan and advise the respondent of the Department acceptance or issue a notice of deficiency within thirty (30) days of receipt.

2. If a notice of deficiency is issued, the respondent will be required to respond to the notice of deficiency within seven (7) business days of receipt by submitting to the Department of Agriculture and Markets, a written remedy in response to the notice of

deficiency. If the written remedy that is submitted is not timely or is found by the Department to be inadequate, the Department shall notify the respondent and direct the respondent to submit, within five (5) business days, a request for a partial or total waiver of MWBE participation goals. Failure to file the waiver form in a timely manner may be grounds for disqualification of the bid or proposal.

The Department may disqualify a respondent as being non-responsive under the following circumstances:

- a. If a respondent fails to submit an MWBE Utilization Plan;
- b. If a respondent fails to submit a written remedy to a notice of deficiency;
- c. If a respondent fails to submit a request for a waiver; or
- d. If the Department determines that the respondent has failed to document good faith efforts.

The successful respondent will be required to attempt to utilize, in good faith, any MBE or WBE identified within its MWBE Utilization Plan, during the performance of the Contract. Requests for a partial or total waiver of established goal requirements made subsequent to Contract Award may be made at any time during the term of the Contract to the Department but must be made no later than prior to the submission of a request for final payment on the Contract.

The successful respondent will be required to submit a quarterly MWBE Contractor Compliance and Payment Report to the Department, by the tenth (10<sup>th</sup>) day following each end of quarter over the term of the Contract documenting the progress made toward achievement of the MWBE goals of the Contract.

### **Equal Employment Opportunity Requirements**

By submission of a bid or proposal in response to this solicitation, the respondent agrees with all the terms and conditions of [Appendix A – Standard Clauses for All New York State Contracts including Clause 12 - Equal Employment Opportunities for Minorities and Women. The respondent is required to ensure that it and any subcontractors awarded a subcontract for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work"), except where the Work is for the beneficial use of the respondent, undertake or continue programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, equal opportunity shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, and rates of pay or other forms of compensation. This requirement does not apply to: (i) work, goods, or services unrelated to the Contract; or (ii) employment outside New York State.

The respondent will be required to submit a Minority and Women-owned Business Enterprise

and Equal Employment Opportunity Policy Statement, (See Submission Documents, Form MWBE EE01), to the Department with its bid or proposal.

If awarded a Contract, the respondent shall submit a Workforce Utilization Report and shall require each of its Subcontractors to submit a Workforce Utilization Report, in such format as shall be required by the Department on a quarterly basis during the term of the Contract.

Further, pursuant to Article 15 of the Executive Law (the “Human Rights Law”), all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor and subcontractors will not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of a prior criminal conviction and prior arrest.

**Please Note: Failure to comply with the foregoing requirements may result in a finding of non-responsiveness, non-responsibility, and/or a breach of the Contract, leading to the withholding of funds, suspension or termination of the Contract or such other actions or enforcement proceedings as allowed by the Contract.**

#### **12.4. PARTICIPATION OPPORTUNITIES FOR NEW YORK STATE CERTIFIED SERVICE-DISABLED VETERAN-OWNED BUSINESSES**

Article 17-B of the New York State Executive Law provides for more meaningful participation in public procurement by certified Service-Disabled Veteran-Owned Businesses (“SDVOB”), thereby further integrating such businesses into New York State’s economy. The Department recognizes the need to promote the employment of service-disabled veterans and to ensure that certified Service-Disabled Veteran-Owned Businesses have opportunities for maximum feasible participation in the performance of Department contracts.

In recognition of the service and sacrifices made by service-disabled veterans and in recognition of their economic activity in doing business in New York State, Contractors are expected to consider SDVOBs in the fulfillment of the requirements of the Agreement. Such participation may be as subcontractors or suppliers, as protégés, or in other partnering or supporting roles.

##### 1. Contract Goals

- a. The Department hereby establishes an overall goal of six percent (6%) for SDVOB participation, based on the current availability of qualified SDVOBs. For purposes of providing meaningful participation by SDVOBs, the Contractor should reference the directory of New York State Certified SDVOBs found at: <https://sdves.ogs.ny.gov/business-search>. Questions regarding compliance with SDVOB participation goals should be directed to the Department’s Supplier Diversity Liaison at [supplierdiversity@agriculture.ny.gov](mailto:supplierdiversity@agriculture.ny.gov). Additionally, following Contract execution, the Contractor is encouraged to contact the Office of General Services’ Division of Service-Disabled Veterans’ Business Development at 518-474-2015 or [VeteransDevelopment@ogs.ny.gov](mailto:VeteransDevelopment@ogs.ny.gov) to discuss additional methods of maximizing participation by SDVOBs on the Agreement.
- b. The Contractor must document “good faith efforts” to provide meaningful participation by SDVOBs as subcontractors or suppliers in the performance of the Agreement (see clause IV below).

2. SDVOB Utilization Plan

- a. In accordance with 9 NYCRR § 252.2(i), the Contractor agrees to submit a completed SDVOB Utilization Plan on Form SDVOB 100 at such time as shall be required by the Department.
- b. The Utilization Plan shall list the SDVOBs that the Contractor intends to use to perform the Agreement, a description of the work that the Contractor intends the SDVOB to perform to meet the goals on the Agreement, the estimated dollar amounts to be paid to an SDVOB, or, if not known, an estimate of the percentage of Contract work the SDVOB will perform. By signing the Utilization Plan, the Contractor acknowledges that making false representations or providing information that shows a lack of good faith as part of, or in conjunction with, the submission of a Utilization Plan is prohibited by law and may result in penalties including, but not limited to, termination of the Agreement for cause, loss of eligibility to submit future bids, and/or withholding of payments. Any modifications or changes to the agreed participation by SDVOBs during the term of the Agreement must be reported on a revised SDVOB Utilization Plan and submitted to the Department.
- c. The Department will review the submitted SDVOB Utilization Plan and advise the Contractor of the Department's acceptance or issue a notice of deficiency within twenty (20) days of receipt.
- d. If a notice of deficiency is issued, the Contractor agrees that it shall respond to the notice of deficiency, within seven business days of receipt, by submitting to the Department a written remedy in response to the notice of deficiency. If the written remedy that is submitted is not timely or is found by the Department to be inadequate, the Department shall notify the Contractor and direct the Contractor to submit, within five (5) business days of notification by the Department, a request for a partial or total waiver of SDVOB participation goals on SDVOB 200. Failure to file the waiver form in a timely manner may be grounds for a determination of non-responsibility by the Department.
- e. The Department may deem the Contractor non-responsive under the following circumstances:
  - i. If the Contractor fails to submit an SDVOB Utilization Plan;
  - ii. If the Contractor fails to submit a written remedy to a notice of deficiency;
  - iii. If the Contractor fails to submit a request for waiver; or
  - iv. If the Department determines that the Contractor has failed to document good faith efforts.
- f. The Contractor certifies that it will follow the submitted SDVOB Utilization Plan for the performance of SDVOBs on the Agreement pursuant to the prescribed SDVOB contract goals set forth above.
- g. The Contractor further agrees that a failure to use SDVOBs as agreed in the Utilization Plan shall constitute a material breach of the terms of the Agreement. Upon the occurrence of such a material breach, the Department shall be entitled to any remedy provided herein, including but not limited to, a finding of Contractor non-responsibility.

3. Request for Waiver

- a. Prior to submission of a request for a partial or total waiver, the Contractor shall speak to the Department's Supplier Diversity Liaison for guidance.

may submit a request for a partial or total waiver on Form SDVOB 200, accompanied by supporting documentation. Contractor may submit the request for waiver at the same time it submits its SDVOB Utilization Plan. If a request for waiver is submitted with the SDVOB Utilization Plan and is not accepted by the Department at that time, the provisions of clauses II (C), (D) & (E) will apply. If the documentation included with the Contractor's waiver request is complete, the Department shall evaluate the request and issue a written notice of acceptance or denial within twenty (20) days of receipt.

- c. Contractor shall attempt to utilize, in good faith, the SDVOBs identified within its SDVOB Utilization Plan, during the performance of the Agreement. Requests for a partial or total waiver of established goal requirements may be made at any time during the term of the Agreement to the Department but must be made no later than prior to the submission of a request for final payment on the Agreement.
- d. If the Department, upon review of the SDVOB Utilization Plan and Monthly SDVOB Compliance Report (SDVOB 101), determines that the Contractor is failing or refusing to comply with the contract goals and no waiver has been issued in regards to such non-compliance, the Department may issue a notice of deficiency to the Contractor. The Contractor must respond to the notice of deficiency within seven (7) business days of receipt. Such response may include a request for partial or total waiver of SDVOB contract goals. Waiver requests should be sent to the Department.
