### Submitting the Electronic Excel Fertilizer Tonnage Report.

### Download the excel file [Electronic Excel Fertilizer Tonnage Report](#)

from the NYS Department of Agriculture and Markets (NYSDAM) website;

<https://agriculture.ny.gov/plant-industry/commodities-program#fertilizer-tonnage-reporting>

1. Save the excel file application as:
  - a. Tonnage\_NYSDAM\_JanDec2024\_your company's shipper code (or license number).  
i.e. Tonnage\_NYSDAM\_JanDec2024\_000000
2. Begin to populate the application with your company's data; save frequently.
3. Enter shipper code (six figure # assigned to your company by NYSDAM) or license number.
4. Enter your company's name.
5. Select the fertilizer code\* from drop down menu in the first column.
  - a. Select fertilizer code 'exempt' if an item is produced for **another licensed** company.
  - b. Select fertilizer code 0 if the item is 'identified by grade.'
    - i. Grade information† (N-P-K) must be hand entered if code 0 is used.
  - c. To delete a data entry mistake in the fertilizer code field:
    - i. Select the single **cell** with fertilizer code, right click and clear contents.
6. A default value will auto-populate many fields once a fertilizer code is selected from the drop-down menu; verify the information is accurate for your selection.
  - a. Quantity is NOT auto populated so data must be hand typed/entered.
  - b. County is NOT auto populated so data must be selected from a drop-down menu.
7. Enter quantity in TONS.
8. Select the county code\* from the drop-down menu; county where the product was distributed.
9. If fee code = 1, **YOU CAN STOP HERE**
10. If fee code = 2, fill in the other licensee's information for whom the fertilizer was produced.
11. REPEAT steps 6 – 11 until all fertilizers have been entered. (Max. fill data to line #2067. Red fill line in file.)
12. Authorize the document by typing in name, phone and email of authorized representative.
13. Save application.
14. Print a copy for your records; print preview will allow you to determine how many pages to print.
15. Email the completed excel file application to [Plant.Tonnage@agriculture.ny.gov](mailto:Plant.Tonnage@agriculture.ny.gov) by **February 1<sup>st</sup>**.
  - a. Subject line should include the word TONNAGE, your company name and shipper code or license number.

### New York State Annual Tonnage Reporting Excel Application Instruction Sheet

#### Completing and Submitting a paper Tonnage Report

- Verify that the name and address on the report is correct. If there are any changes, cross out the incorrect information and write the changes above.
- Enter the appropriate fertilizer material code, fertilizer common name and the grade information in the N-P-K columns. Refer to the enclosed code sheet for the correct fertilizer material codes. If the product is identified by grade, enter code zero (0) in the Fertilizer Code column.
- **Tons:** enter the quantity of tons distributed.
- **Container:** Enter “1” if the product was bagged, “2” if the product was bulk or “3” if the product was liquid.
- **Use:** Enter “1” if the product was intended for farm use or “2” if it was intended for non-farm use.
- **Pesticides:** Enter “1” if the product contained no pesticides or “2” if it contained some pesticides (insecticides, herbicides, etc.).
- **County Code:** Enter the code for the county in which the product was distributed. Refer to the enclosed county code listing for the correct county code.
- **Exempt:** Enter “Y” if you sold fertilizer to another licensed fertilizer distributor. Otherwise, enter “N”. No fee is due for Exempt tonnage.
- **Distributor’s Name and Address:**
  - If you entered “Y” in the Exempt column, enter the name and address of the distributor to whom you sold the fertilizer.
  - If you entered “N” in the Exempt column, leave this section blank.
- **Miscellaneous row:** If less than 50 tons of a grade were sold, the N-P-K and tonnage values may be entered individually or combined under this heading.
- **Totals and Fees:** Multiply the Total Tons x \$0.10 per ton to get the Total Fees Due. If total tons are greater than zero, but less than 500 a minimum fee of \$50.00 is due. If no fertilizer (0 tons) was distributed in New York State, enter 0 in the **January – December Total Tons section**. No fee is due in this case, but you must still submit the report. Tons marked as exempt should not be included in the Total Tons.

**Signature, Title and Date:** Please sign the report, enter your official title.

Once the tonnage report is completed, calculate the fee due and send back the paper report, a completed Payment Form, and payment (check or **original ink signature** Credit Card Payment Authorization Form) to the Department. DO NOT FAX or email the Credit Card Payment Authorization Form.
