RFP0389 - REQUEST FOR PROPOSALS

Climate Resilient Farming Program

Round 9

Addendum 1

Issued 10/07/2025

RFP0389 is revised as follows:

The SW Workbook posted on September 18, 2025 is replaced with a new workbook. The SW Workbook is posted on the SWCC SharePoint site under CRF Round 9. The new SW Workbook provides a sub-total on the SW 2 Budget form adding Other Direct Expenses and BMP Implementation. This will subsequently allow for Other Direct Expense to be included in contract payments for implementation expenses.
