New York State Department of Agriculture and Markets' (AGM) staff/inspectors are not authorized to remove bees for a private property owner. AGM maintains a list of beekeepers in the State as required pursuant to Agriculture and Markets Law Section 173-c. The beekeepers listed below have indicated that they provide bee removal services.
The following contact information is provided as a public service and is not an endorsement of any of the beekeepers listed therein. AGM does not license or issue permits to remove honey bees.
Furthermore, AGM does not have any information regarding a beekeeper's qualifications or training to remove honey bees. Please update your beekeeper registration or contact anne.mills@agriculture.ny.gov if you would like to be removed from this list.
