Projects terms will begin on April 1, 2026.

environment and/or the local community. Examples of projects supported by this program include the development and enhancement of farmers' market infrastructure, online infrastructure, marketing and outreach efforts, and/or delivery capabilities across the state.

For examples of previously funded projects, refer to the RFA Appendix.

For the purposes of this grant, a Farmers' Market is defined as any building, structure, or place, the property of a municipal corporation or under lease to or in the possession of a private or public agency, individual or business used or intended to be used by two or more producers for the direct sale of a diversity of farm and food products from producers to consumers and food buyers.

11. OTHER REQUIREMENTS

A. Minority and Women Owned Business Enterprise

CONTRACTOR REQUIREMENTS AND PROCEDURES FOR PARTICIPATION BY NEW YORK STATE-CERTIFIED MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES AND EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITY GROUP MEMBERS AND WOMEN ACCORDING TO NEW YORK STATE LAW.

Pursuant to New York State Executive Law Article 15-A and Parts 140-145 of Title 5 of the New York Codes, Rules and Regulations the Department of Agriculture and Markets (Department) is required to promote opportunities for the maximum feasible participation of New York State- certified Minority and Women-owned Business Enterprises (“MWBEs”) and the employment of minority group members and women in the performance of the Department contracts.

Business Participation Opportunities for MWBEs

For purposes of this solicitation, the Department hereby establishes an overall goal of 30 percent for MWBE participation, 15 percent for New York State-certified Minority-owned Business Enterprise (“MBE”) participation and 15 percent for New York State-certified Women- owned Business Enterprise (“WBE”) participation (based on the current availability of MBEs and WBEs). A contractor (“Contractor”) on any contract resulting from this procurement (“Contract”) must document its good faith efforts to provide meaningful participation by MWBEs as subcontractors and suppliers in the performance of the Contract. To that end, by submitting a response to this RFP, the respondent agrees that the Department may withhold payment pursuant to any Contract awarded as a result of this RFP pending receipt of the required MWBE documentation. The directory of MWBEs can be viewed at: <https://ny.newnycontracts.com>. For guidance on how the Department will evaluate a Contractor’s “good faith efforts,” refer to 5 NYCRR § 142.8.

The respondent understands that only sums paid to MWBEs for the performance of a commercially useful function, as that term is defined in 5 NYCRR § 140.1, may be applied towards the achievement of the applicable MWBE participation goal. [FOR CONSTRUCTION CONTRACTS – The portion of a contract with an MWBE serving as a supplier that shall be deemed to represent the commercially useful function performed by the MWBE shall be 60 percent of the total value of the contract. The portion of a contract with an MWBE serving as a broker that shall be deemed to represent the commercially useful function performed by the MWBE shall be the monetary value for fees, or the markup percentage, charged by the MWBE]. [FOR ALL OTHER CONTRACTS - The portion of a contract with an MWBE serving as a broker that shall be deemed to represent the commercially useful function performed by the MWBE shall be 25 percent of the total value of the contract.]

In accordance with 5 NYCRR § 142.13, the respondent further acknowledges that if it is found to have willfully and intentionally failed to comply with the MWBE participation goals set forth in a Contract resulting from this RFP, such finding constitutes a breach of contract, and the Department may withhold payment as liquidated damages.

Such liquidated damages shall be calculated as an amount equaling the difference between:
(1) all sums identified for payment to MWBEs had the Contractor achieved the contractual MWBE goals;
and (2) all sums actually paid to MWBEs for work performed or materials supplied under the Contract.

By submitting a bid or proposal, a respondent agrees to demonstrate its good faith efforts to achieve the applicable MWBE participation goals by submitting evidence thereof through the New York State Contract System (“NYSCS”), which can be viewed [at https://ny.newnycontracts.com](https://ny.newnycontracts.com), provided, however, that a respondent may arrange to provide such evidence via a non-electronic method by contacting the Department’s MWBE Liaison at 518-485-8740 or SupplierDiversity@agriculture.ny.gov. All MWBE Forms and Instructions are included in the Submission Documents.

Additionally, a respondent will be required to submit the following documents and information as evidence of compliance with the foregoing:

- a. An MWBE Utilization Plan with their bid or proposal. Any modifications or changes to accepted MWBE Utilization Plan after the Contract award and during the term of the Contract must be reported on a revised MWBE Utilization Plan and submitted to the Department for review and approval.

The Department will review the submitted MWBE Utilization Plan and advise the respondent of the Department acceptance or issue a notice of deficiency within 30 days of receipt.

- a. If a notice of deficiency is issued, the respondent will be required to respond to the notice of deficiency within seven (7) business days of receipt by submitting to the Department of Agriculture and Markets, a written remedy in response to the notice of deficiency. If the written remedy that is submitted is not timely or is found by the Department to be inadequate, the Department shall notify the respondent and direct the respondent to submit, within five (5) business days, a request for a partial or total waiver of MWBE participation goals. Failure to file the waiver form in a timely manner may be grounds for disqualification of the bid or proposal.

The Department may disqualify a respondent as being non-responsive under the following circumstances:

- a. If a respondent fails to submit an MWBE Utilization Plan;
- b. If a respondent fails to submit a written remedy to a notice of deficiency;
- c. If a respondent fails to submit a request for a waiver; or
- d. If the Department determines that the respondent has failed to document good faith efforts.

The successful respondent will be required to attempt to utilize, in good faith, any MBE or WBE identified within its MWBE Utilization Plan, during the performance of the Contract. Requests for a partial or total waiver of established goal requirements made subsequent to Contract Award may be made at any time during the term of the Contract to the Department but must be made no later than prior to the submission of a request for final payment on the Contract.

The successful respondent will be required to submit a quarterly M/WBE Contractor Compliance and Payment Report to the Department, by the 10th day following each end of quarter over the term of the Contract documenting the progress made toward achievement of the MWBE goals of the Contract.

Equal Employment Opportunity Requirements

By submission of a bid or proposal in response to this solicitation, the respondent agrees with all the terms and conditions of Appendix A – Standard Clauses for All New York State Contracts including Clause 12 - Equal Employment Opportunities for Minorities and Women. The respondent is required to

ensure that it and any subcontractors awarded a subcontract for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work"), except where the Work is for the beneficial use of the respondent, undertake or continue programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, equal opportunity shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, and rates of pay or other forms of compensation. This requirement does not apply to: (i) work, goods, or services unrelated to the Contract; or (ii) employment outside New York State.

The respondent will be required to submit a Minority and Women-owned Business Enterprise and Equal Employment Opportunity Policy Statement, (See Submission Documents, Form MWBE EE01), to the Department with its bid or proposal.

If awarded a Contract, the respondent shall submit a Workforce Utilization Report and shall require each of its Subcontractors to submit a Workforce Utilization Report, in such format as shall be required by the Department on a quarterly basis during the term of the Contract.

Further, pursuant to Article 15 of the Executive Law (the "Human Rights Law"), all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor and subcontractors will not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of a prior criminal conviction and prior arrest.

Please Note: Failure to comply with the foregoing requirements may result in a finding of non-responsiveness, non-responsibility and/or a breach of the Contract, leading to the withholding of funds, suspension or termination of the Contract or such other actions or enforcement proceedings as allowed by the Contract.

B. Participation Opportunities for New York State Certified Service-Disabled Veteran Owned Businesses

Article 17-B of the New York State Executive Law provides for more meaningful participation in public procurement by certified Service-Disabled Veteran-Owned Businesses ("SDVOB"), thereby further integrating such businesses into New York State's economy. The Department recognizes the need to promote the employment of service-disabled veterans and to ensure that certified service-disabled veteran-owned businesses have opportunities for maximum feasible participation in the performance of Department contracts.

In recognition of the service and sacrifices made by service-disabled veterans and in recognition of their economic activity in doing business in New York State, Contractors are expected to consider SDVOBs in the fulfillment of the requirements of the Agreement. Such participation may be as subcontractors or suppliers, as protégés, or in other partnering or supporting roles.

I. Contract Goals

- a. The Department hereby establishes an overall goal of 6% for SDVOB participation, based on the current availability of qualified SDVOBs. For purposes of providing meaningful participation by SDVOBs, Contractor should reference the directory of New York State

Certified SDVOBs found at: <https://online.ogs.ny.gov/SDVOB/search>. Questions regarding compliance with SDVOB participation goals should be directed to the Department's Supplier Diversity Liaison at supplierdiversity@agriculture.ny.gov. Additionally, following Contract execution, Contractor is encouraged to contact the Office of General Services' Division of Service- Disabled Veterans' Business Development at 518- 474-2015 or VeteransDevelopment@ogs.ny.gov to discuss additional methods of maximizing participation by SDVOBs on the Agreement.

- b. Contractor must document "good faith efforts" to provide meaningful participation by SDVOBs as subcontractors or suppliers in the performance of the Agreement (see clause IV below).

II. SDVOB Utilization Plan

- a. In accordance with 9 NYCRR § 252.2(i), Contractor agrees to submit a completed SDVOB Utilization Plan on Form SDVOB 100 at such time as shall be required by the Department.
- b. The Utilization Plan shall list the SDVOBs that Contractor intends to use to perform the Agreement, a description of the work that Contractor intends the SDVOB to perform to meet the goals on the Agreement, the estimated dollar amounts to be paid to an SDVOB, or, if not known, an estimate of the percentage of Contract work the SDVOB will perform. By signing the Utilization Plan, Contractor acknowledges that making false representations or providing information that shows a lack of good faith as part of, or in conjunction with, the submission of a Utilization Plan is prohibited by law and may result in penalties including, but not limited to, termination of the Agreement for cause, loss of eligibility to submit future bids, and/or withholding of payments. Any modifications or changes to the agreed participation by SDVOBs during the term of the Agreement must be reported on a revised SDVOB Utilization Plan and submitted to the Department.
- c. The Department will review the submitted SDVOB Utilization Plan and advise Contractor of the Department's acceptance or issue a notice of deficiency within 20 days of receipt.
- d. If a notice of deficiency is issued, Contractor agrees that it shall respond to the notice of deficiency, within seven business days of receipt, by submitting to the Department a written remedy in response to the notice of deficiency. If the written remedy that is submitted is not timely or is found by the Department to be inadequate, the Department shall notify Contractor and direct Contractor to submit, within five business days of notification by the Department, a request for a partial or total waiver of SDVOB participation goals on SDVOB 200. Failure to file the waiver form in a timely manner may be grounds for a determination of non-responsibility by the Department.
- e. The Department may deem Contractor non-responsive if:
 - 1. If Contractor fails to submit an SDVOB Utilization Plan;
 - 2. If Contractor fails to submit a written remedy to a notice of deficiency;
 - 3. If Contractor fails to submit a request for waiver; or
 - 4. If the Department determines that Contractor has failed to document good faith efforts.
- f. Contractor certifies that it will follow the submitted SDVOB Utilization Plan for the performance of SDVOBs on the Agreement pursuant to the prescribed SDVOB contract goals set forth above.
- g. Contractor further agrees that a failure to use SDVOBs as agreed in the Utilization Plan shall constitute a material breach of the terms of the Agreement. Upon the occurrence of such a material breach, the Department shall be entitled to any remedy provided herein, including but not limited to, a finding of Contractor non-responsibility.

III. Request for Waiver

- a. Prior to submission of a request for a partial or total waiver, Contractor shall speak to the Department's Supplier Diversity Liaison for guidance. In accordance with 9 NYCRR § 252.2(m), a Contractor that is able to document good faith efforts to meet the goal requirements, as set forth in clause IV below, may submit a request for a partial or total waiver on Form SDVOB 200, accompanied by supporting documentation. Contractor may submit the request for waiver at the same time it submits its SDVOB Utilization Plan. If a request for waiver is submitted with the SDVOB Utilization Plan and is not accepted by the Department at that time, the provisions of clauses II (C), (D) & (E) will apply. If the documentation included with Contractor's waiver request is complete, the Department shall evaluate the request and issue a written notice of acceptance or denial within 20 days of receipt.
- b. Contractor shall attempt to utilize, in good faith, the SDVOBs identified within its SDVOB Utilization Plan, during the performance of the Agreement. Requests for a partial or total waiver of established goal requirements may be made at any time during the term of the Agreement to the Department but must be made no later than prior to the submission of a request for final payment on the Agreement.
- c. If the Department, upon review of the SDVOB Utilization Plan and Monthly SDVOB Compliance Report (SDVOB 101), determines that Contractor is failing or refusing to comply with the contract goals and no waiver has been issued in regard to such non-compliance, the Department may issue a notice of deficiency to Contractor. Contractor must respond to the notice of deficiency within seven business days of receipt. Such response may include a request for partial or total waiver of SDVOB contract goals. Waiver requests should be sent to the Department.

IV. Required Good Faith Efforts

In accordance with 9 NYCRR § 252.2(n), Contractors must document their good faith efforts toward utilizing SDVOBs on the Agreement. Evidence of required good faith efforts shall include, but not be limited to, the following:

- a. Copies of solicitations to SDVOBs and any responses thereto.
- b. Explanation of the specific reasons each SDVOB that responded to Contractor's solicitation was not selected.
- c. Dates of any pre-bid, pre-award or other meetings attended by Contractor, if any, scheduled by the Department with certified SDVOBs whom the Department determined were capable of fulfilling the SDVOB goals set in the Agreement.
- d. Information describing the specific steps undertaken to reasonably structure the Agreement scope of work for the purpose of subcontracting with, or obtaining supplies from, certified SDVOBs.
- e. Other information deemed relevant to the waiver request.

V. Monthly SDVOB Contractor Compliance Report

In accordance with 9 NYCRR § 252.2(q), Contractor is required to report Monthly SDVOB Contractor Compliance to the Department during the term of the Agreement for the preceding month's activity, documenting progress made towards achieving the Contract SDVOB goals.
